**Exercise 3   Adding Links**
15 to 25 minutes

In this exercise you will add links to index.html. The completed page should look like this:

1.   Open Links/Exercises/index.html for editing.

2.   Add the following links:
   •   Home: index.html
   •   Races: Races.html
   •   Resources: Resources.htm
   •   Calculator: Calculator.html (should target "newwin")
   •   Running Log: RunningLog.html
   •   My Account: MyAccount.html
   •   Log out: Logout.html
   •   the most up-to-date information on running races: Races.html
   •   the best resources for runners: Resources.html

3.   Add an email link to info@runnershome.com after the copyright.

4.   Save your work and open your new page in a browser to test it.

Add links to Resources.html to external resources.

1.   Open Links/Exercises/Resources.html for editing.

2.   Add links to any useful resources for runners you can find on the web.
